CORP

C O N T E N T S

PHILOSOPHY

The thinking that shapes our actions and work.

ABOUT US

The foundation of the organisation and our approach.

VISION AND MISSION

Principles that govern decisions, relationships and growth.

MILESTONES

Notable moments across six decades.

THE PEOPLE

An outline of who we are and how we are led.

AWARDS & RECOGNITION

Earned through responsible and green practices.

GEOGRAPHIC FOOTPRINT

The cities that carry our creations and philosophy.

PORTFOLIO

Developments that reflect long-term thinking.

KUMAR KLUB

Extending home ownership beyond possession.

EVENTS

Curated experiences for our community.

CSR

Initiatives that extend beyond our developments.

The feeling of home is precious.

People seek it everywhere they go.

They breathe it in and over time, it runs through their veins.

And when a home is made with genuine care, that feeling becomes irreplaceable.

Every part of it speaks a language you instinctively understand.

It is this feeling that we try to evoke.

Because when we do, it wins the hearts of those who live in it.

And the next generation who return seeking it again.

SPACES YOU COME BACK TO, **TIME AFTER TIME.**

Our philosophy reflects in our actions and our creations. It's measured, responsible and anchored in long-term thinking. And so, every new project, whether a township, a residential property or a commercial space, carries forward our belief. That when you build with care and clarity, people notice. They come back. They pass that trust onwards. And a legacy continues to deepen, brick by brick.

GENERATIONS OF STEWARDSHIP

Established in 1966 by the visionary entrepreneur Mr. K. H. Oswal, Kumar Corp has spent close to six decades shaping the urban landscape. Each development has been approached with a long-term view, ensuring that what is built today remains relevant, resilient and reassuring for the generations that follow.

Today, the organisation is led by the second generation of the founding family, supported by a team of experienced professionals. Together, they continue to uphold the values on which the company was built, while steering it with a steady eye on the future.

VISION

Every Kumar Corp creation is designed to stand as a timeless legacy, meticulously crafted with uncompromising quality and assurance to nurture generations and businesses.

MISSION

Kumar Corp commits to crafting timeless legacies by integrating innovative design, living architecture and advanced technology to create lasting value, comfort and delight.

TO RISE,
WE STAY ROOTED.

THE VALUES THAT **LIGHT OUR PATH**

Integrity

Every long-standing relationship begins here. Integrity shapes how we plan, build and deliver. It is the reason families return to us, and the reason our commitments hold steady, year after year.

Excellence

We approach every detail with care. The aim is simple: create spaces that feel right today and remain dependable tomorrow.

Responsibility

Growth means little without responsibility. Our approach to minimal debt and careful resource management ensures that each decision strengthens the company.

Expertise

Decades of experience bring a certain clarity. With more than 35 million sq. ft. delivered and a team of specialists across engineering, construction and marketing, we rely on skill built over time, not shortcuts.

Trust

It grows when projects are delivered as promised, when processes remain transparent and when customers feel supported long after possession. It is the value that ties our past to our future.

MILESTONES

THAT MOVED US FORWARD

THE FORCE BEHIND THE PROMISE

Mr. Hitesh K Jain
Managing Director

They say strength is born from foundations. Mr. Hitesh Jain embodies this truth with an unyielding force. In his young age, inheriting a legacy of real estate excellence from his family, he has transformed heritage into an empire through relentless determination and a mind that thrives on bold innovation.

Armed with a Bachelor's in Civil Engineering from MIT Pune and a Master's in Business Administration from the University of Cardiff, UK, Hitesh returned to India as a disruptor with novel ideas. His global lens ignited fresh strategies, fuelling Kumar Corp's engineering prowess.

Today, as Director, he drives cutting-edge technologies from advanced construction methods to smart systems, positioning Kumar Corp as the industry's innovation vanguard. Under his watch, the brand surges forward, unbreakable and unstoppable.

Mr. Kewalkumar Jain
Chairman

For over 47 years, Kewalkumar Jain has been the driving force behind Kumar Corp's journey. With a deep understanding of finance and a clear long-term vision, he laid the foundation for a brand built on trust, quality and consistency.

Mr. Jain has guided the company through decades of growth with disciplined planning and sharp market insight. Under his leadership, Kumar Corp grew into a diversified real estate brand with landmark residential, commercial and township developments across multiple cities.

His commitment to excellence and customer-first thinking continues to define the company's legacy today.

THE MINDS BEHIND OUR WORK

Behind every Kumar Corp development stands a team shaped by experience, clarity and technical depth. Over the years, this collective expertise has become one of the company's most enduring strengths.

The team's long-standing commitment, combined with the guidance of seasoned leadership, enables the company to sustain its pace of growth and uphold the standards that have defined our work for nearly six decades.

Design & Planning

Shaping thoughtful design, efficient planning and future-ready developments.

Engineering & Execution

Delivering technical rigour, construction quality and on-site precision.

Sales, Marketing & CRM

Connecting our creations with homebuyers and nurturing enduring relationships.

Liaison & Compliance

Overseeing statutory approvals, regulatory processes and coordination with authorities.

Administration & Operations

Ensuring smooth internal operations, sound governance and organisational efficiency.

Post-Sales Support & Customer Care

Providing continued assistance, timely handovers and a dependable ownership experience.

OUR FIRST ACCOUNTABILITY IS TO THE EARTH

Our projects have been recognised for integrating environmental responsibility into their foundations.

Certified developments incorporate measures to control soil erosion and preserve topsoil, protecting the natural balance of the land. Green spaces and thoughtfully planned landscaping form an essential part of the built environment, contributing to a more breathable urban setting.

Integrated waste management systems support responsible handling and disposal, while water efficiency is addressed through rainwater harvesting, reducing dependence on external resources. Material selection is approached with equal care. Where recycled and responsibly sourced materials are incorporated to reduce the burden on landfills.

As mobility patterns continue to evolve, our projects also respond to emerging needs through the provision of electric vehicle charging infrastructure.

The certification reflects a considered effort to reduce impact on the natural environment while creating developments that remain efficient, resilient and liveable over time.

CERTIFIED FOR THINKING GREEN

Our projects have been recognised for integrating environmental responsibility into their foundations. These honours highlight a sustained commitment to building with awareness, foresight and without compromise.

A MEASURED EXPANSION

Kumar Corp has played a quiet yet defining role in shaping the skyline of some of India's most dynamic cities. What began in Pune in 1966 has grown into a presence that now extends across key urban centres, each development carrying the same clarity of purpose and regard for long-term value. As Pune evolved from a cultural stronghold into a modern metropolis, we remained closely involved in its transformation. Our footprint today reaches beyond Pune into Mumbai and Bengaluru, where the same principles guide every project.

PUNE

THE KLUB THAT FEELS LIKE HOME

Kumar Klub stands as a gracious extension of the spirit of togetherness. It honours the deep joy of belonging to a community bound by shared values and a common sense of pride.

It is here that home ownership is refined into something richer, defined not by possession alone, but by shared celebration and the confidence of knowing that one is among one's own.

Membership benefits:

- Earn exclusive loyalty bonus & referral rewards
- Exclusive invitations to customer events
- Events and community gatherings
- Special discount for your family and close circle

WHEN YOU CHASE
EXCELLENCE, THERE IS
ONLY ONE OUTCOME.

RECOGNISED. CELEBRATED. HONoured.

“

This recognition is a proud moment, but for us, it is also a launchpad. At Kumar Corp, we have never built just for today – we build for the future. These awards reaffirm that when you combine the right vision with the right people, you don't just keep pace with the industry, you define it.

Mr. Hitesh K Jain
Managing Director

”

BEYOND WHAT WE BUILD

We approach our role in society with the same sense of care and continuity that guides our developments. Our focus rests on areas where steady support can create meaningful outcomes, particularly healthcare, education and sport.

Kesarimal Himmatlal Charitable Trust

In Bhavani Peth, Pune, we support a dialysis centre operated by a charitable trust, providing free and subsidised treatment to patients in need. The centre is equipped with modern medical infrastructure and staffed by qualified doctors and trained technicians, ensuring dependable and accessible care. The trust extends education allowances to underprivileged children, supporting their continued schooling.

Lakshya Sports

We support the advancement of sport through our association with Lakshya Institute. This partnership is centred on talent identification, recognition of achievements and the strengthening of training infrastructure. At present, Lakshya supports over 30 young athletes across disciplines including shooting, chess, tennis, wrestling, boxing and cricket.
